SAMAY TRACK LITE

Smart security. Smart price.

A **4G GPS tracker** for every bike and scooter. Live location, theft alerts and remote engine lock on your phone, with **2G backup** where 4G is weak.

हर पल, आपकी गाड़ी के साथ।

₹3,499 with 1 year app + data included*

4G+2G	10 s	2–4 h	12/24 V	₹999
dual network	live updates	backup after a wire cut	bikes, scooters, autos	per year after year 1

Everything you need

LITE FEATURES

Live tracking
Moving map, trip history, speed and distance.

Theft & tow alert
Bike moved while parked? Instant alarm on your phone.

Remote engine lock
Stop it from starting. Locks only at standstill or low speed.

Power-cut alert
Wire cut? It alerts you and keeps tracking for hours.

Geofence
Alert when the bike leaves or enters your zones.

Ignition & overspeed
Know when it starts, stops, or goes too fast.

SOS button*
One press sends your location to family.

Battery saver
Tiny sleep current, plus a warning when the bike battery is low.

Offline memory + OTA
Stores your route without network; new features over the air.
